FINANCE & BUSINESS STRATEGY

Finance-focused Business Administration student at Hult International Business School with hands-on leadership experience spanning camp operations, student government, and applied financial analysis. Two-time Unit Counselor at Culver Summer Schools & Camps, building and running a five-team accountability structure for a 36-person unit across two consecutive summers. Builds independent research projects covering equity valuation, corporate governance, and macroeconomic policy, with a track record of building systems and leading teams under pressure.

EXPERIENCE

APPLIED FINANCE & RISK ANALYSIS

Independent Research, Hult International Business School | 2025 – 2026

Self-directed financial analysis work applying equity research, corporate governance, and macroeconomic modeling frameworks to real-world cases.

- Built a valuation model on NVIDIA (DCF and comparables) to assess equity value under multiple growth and demand scenarios.
- Evaluated a corporate governance structure against the COSO Internal Control framework, identifying control gaps and remediation priorities.
- Modeled the impact of Federal Reserve interest rate policy on sector equity valuations and credit conditions using historical rate-cycle data.
- Applied financial statement analysis and scenario modeling consistent with equity research and enterprise risk practice.

UNIT COUNSELOR

Culver Summer Schools & Camps (CSSC), Culver, IN | 2025 – 2026

Returned for a second consecutive summer to lead a 36-camper unit within a program of 1,500+ campers and 600+ staff.

- Built a five-team internal accountability structure with a cross-team demerit-tracking system to monitor discipline and standards compliance.
- Authored a Dress-A uniform SOP reference, correcting gaps against the student handbook (shoulder boards, grooming, ribbon placement, NCO belt requirements).
- Designed onboarding and weekly training materials (37 slides across two sessions) to align staff and campers on unit goals and expectations.
- Lived with and supervised campers 24/7 across each 6-week program, owning daily scheduling, safety, and welfare.
